## Projects

---

**Personal Website v1** - [jessicawentling.com](http://jessicawentling.com)

Built my personal website from using HTML, CSS, and JavaScript, and housed it on GitHub pages. Utilized Google Analytics and learned a lot about SEO and accessibility.

**Shop Fighting Blindness** - [shopfightingblindness.org](http://shopfightingblindness.org)

Worked with Tray, Inc. team to build an e-Commerce site for Foundation Fighting Blindness. Styled it to the company's brand, made it accessible, and learned Shopify's Liquid code.

**APHSA's Websites** - [aphsa.org](http://aphsa.org) and [aphsaannualreport.com](http://aphsaannualreport.com)

Refactored and maintained code on the American Public Human Services Association's main website when at Tray, Inc. Collaborated with the client to create and update various pages and conference sites.
