Projects

Personal Website v1 - jessicawentling.com
Built my personal website from using HTML, CSS, and JavaScript, and housed it on GitHub pages. Utilized Google Analytics and learned a lot about SEO and accessibility.

Shop Fighting Blindness - shopfightingblindness.org
Worked with Tray, Inc. team to build an e-Commerce site for Foundation Fighting Blindness. Styled it to the company's brand, made it accessible, and learned Shopify's Liquid code.

APHSA's Websites - aphsa.org and aphsaannualreport.com
Refactored and maintained code on the American Public Human Services Association's main website when at Tray, Inc. Collaborated with the client to create and update various pages and conference sites.
