Objective

Energetic and passionate Front-End Developer with leadership, management, and teamwork skills seeking Web and Software Development opportunities.

Skills & Abilities

Languages: HTML, CSS/Sass, JavaScript, PHP, C++, C#, Java, SQL

Platforms: WordPress , Shopify, iMIS EMS, Wix

Technologies: SEO, Visual Studio Code, GitHub, Adobe PhotoShop and Illustrator

Experience

Front-End Web Developer at Tray, Inc.

June 2020 – May 2021 (Glen Burnie, MD)

- Collaborated with team of three to develop and maintain websites and projects.
- Worked with a variety of languages, platforms, and content management systems such as HTML, CSS, JavaScript, Wix, Shopify, iMIS EMS, and WordPress.
- Utilized Adobe Illustrator and Photoshop to edit product images and set up stationery templates for e-commerce websites.
- Managed client user and product information through an internal distributor management software and Microsoft Excel.

Assistant Store Leader and **Merchandising and Inventory Leader** at PetSmart

June 2017 – October 2019 (Reston, VA and Alexandria, VA, respectively)

- Drove day in and day out operational excellence through hiring, scheduling, and budgeting
- Developed team members and leaders to be able to promote from within the company
- Led team by clearly communicating standards, and quickly followed up on any opportunities, resulting in cohesion among team members
- Executed merchandising strategies and inventory management tactics

Projects

Personal Web Site Portfolio v1 - jessicawentling.com

I built my online portfolio using HTML, CSS, JavaScript, VSCode, and Google Analytics, and housed it on my GitHub profile. I learned a lot about SEO and accessibility, and was able to practice documentation and code refactoring.

Education

SEO Certified – May 2021 – June 2022 (HubSpot Academy)

California State University, San Marcos – December 2015

Bachelor of Science in Computer Science and Minor in Mathematics
